

ATEM 1 M/E Broadcast Panel

When the software control panel is too limited, the ATEM 1 M/E Broadcast Panel is a professional panel with the highest quality buttons, knobs and controls for the most demanding 24/7 live production environment. The ATEM 1 M/E Broadcast Panel is compact so it fits within a rack width! You get full control of your switcher, including cameras, transitions, keyers, fader, DVE control and more. ATEM 1 M/E Broadcast Panel connects via ethernet and includes a loop thru connection for more than one panel or computer.

Connections
